**Selection Note for the 2024 World Championships**

Following the final assessment races of the 2024 season held at Falcon, the Selection Committee met to apply the Marathon Racing Selection Policy 2024 and complete the selection for the Great Britain Team for the World Championships. We would like to thank Falcon Canoe Club for an excellent weekend of racing and congratulate the athletes on their performances.

The Paracanoe Demonstration Event team was selected first. Jon White, Tim Lodge and Shaun Cooke were pre-selected following their medals at the European Championships. With only three athletes available this concluded the selections for this event.

The Championship Team was then selected. James Russell was pre-selected following his double bronze medals at the European Championships. The next 10 athletes secured their selections through winning their respective final assessment races and achieving the minimum performance standard. The final 5 places release places were filled by benchmarking across the classes using results from all the 2024 assessment as per section 3.3.i.iii of the selection policy, with the aim of sending the best team to the Championship Event. We would like to congratulate the athletes on their selections:
