

**Paddle UK Marathon Racing Committee
Selection Note for the 2025 German Nationals**

Following the first assessment of the season at Norwich Canoe Club, the MRC Selection Committee have selected the following team to represent Great Britain at the German Nationals. As per the policy, this team was to be selected from the athletes named for the U14/U16 development trip in August 2024, this included the named reserves. If any further places became available, these would be prioritised for U18 and U23 athletes. The take up for this trip from the named athletes has remained high, so no new athletes have been selected into the team, but a number have been named as reserves*.

We would like to thank Norwich for hosting the first assessment and to congratulate all the athletes on their selections.
