Selection Note for the 2026 Waterlands Marathon**

Following the assessment race at Norwich, the MRC Selection Committee selected the Under 23 and Under 18 team for the Development trip to Waterlands International Marathon. The team was selected according to the published policy. Due to low entry numbers in the Women's U23 race, 3 additional release places were available. These places have been allocated for Junior Development, and spread across the Junior Mens and Junior Womens category as logistical arrangements allowed.

The MRC selection panel would like to congratulate the athletes on their selection and thank all the team at Norwich Canoe Club for organising and hosting the event.
