Additional Athlete Selections – 2026 World Canoe Marathon Championships

Following the recent announcement that additional funding had been made available to support the Great Britain team for the 2026 ICF Canoe Marathon World Championships, the Marathon Selection Panel has now completed a further review of athlete selections.

As a result, the following athletes have been selected to represent Great Britain:

Class	Singles LC	Doubles
U23MK1	Will Short (ELM)	
SMK		Alex Worgan (RIC) / Will Short (ELM)

These additional selections have been made possible through the increased budget allocation approved by the Marathon Racing Committee and reflect the Committee's commitment to providing as many athletes as possible with the opportunity to compete at World Championship level.

Congratulations to both athletes on their selection. We wish them every success in their preparations and at the Championships.
